Career Options in English
Creative Writing, Literature and Film Studies Minors

What is English?

English is one of the Humanities that studies the great works of literature and trains students in responding to the complex modes of interpretation and communication. Courses emphasize responsive reading, critical thinking, and clarity of expression. English examines:
- How language forms a sense of identity
- How writers and artists seek to change culture
- How culture influences the work of writers and artists
- The dynamic relationship between writer/reader, speaker/listener, artwork/audience.

Skills of English Grads

- Develop expository, persuasive, and creative writing
- Use grammar, syntax, vocabulary correctly
- Adjust style to rhetorical context
- Analyze and interpret text
- Understand concepts of genre and form in writing
- Develop critical thinking
- Engage in creative problem solving
- Influence and persuade
- Make oral presentations
- Conduct research and evaluate evidence
- Synthesize and communicate ideas
