Management at U of T Scarborough is highly sought after because of its modern, innovative and highly practical business programs. Its specialized streams and strategic curricula leave successful graduates prepared for a wide variety of careers in the corporate world. Students will earn high-quality professional management training within the context of a liberal arts degree — ideal for a managerial career. They will study business practices, policies and current issues affecting companies by examining current real-life scenarios.

Complementary Programs: AFFILIATED PROGRAMS: Please visit The Bridge website for more information on our New Venture, Innovation and Fin Tech co-curricular programs (utsc.utoronto.ca/thebridge/).

Make the most of your time at UTSC!

We want to help you maximize your university experience, so we've pulled together information and suggestions to get you started, although there are many more! As you review the chart on the inside pages, note that many of the suggestions need not be restricted to the year they are listed. In fact, activities such as joining a student club, engaging with faculty and seeking opportunities to gain experience should occur in each year of your study.

Check out future career opportunities and skills acquired from completing this program:
