Before you apply, please take note of the following:

Application Deadlines
April 12, 2019 (admission effective the Summer term)
July 26, 2019 (admission effective the Fall term)

Use this form only if you are currently enrolled at University of Toronto Scarborough.

Minimum GPA and program-specific requirements
For admission to Arts and Science Co-op, the minimum Cumulative Grade Point Average (CGPA) requirement varies by program, but is never less than 2.5. Check the 2018–2019 calendar for program-specific requirements for April admission or the 2019–2020 calendar for July admission. You will also need the required course prerequisites listed for your program in the calendar to be considered.

Please be aware that the CGPA of 2.5 must be maintained to remain in the Co-op program.

Will you have 10 or more credits by Fall 2019? Students who will have 10 or more credits by Fall 2019 are not eligible for admission; if you will have 8 – 9.5 credits, please contact the co-op office to discuss your options.

Hoping to start in co-op during the summer term? If you’re applying to the April Subject POST request period, you MUST be available to complete the COPD01 Foundations for Success in Arts and Science Co-op course in the Summer term.

HOW TO APPLY TO ARTS & SCIENCE CO-OP

1. Return the completed application form—along with a résumé—to:
   Dallas Boyer
   The Arts & Science Co-op Office
   Instructional Centre, Room IC 150

2. Request a change of subject POST to the desired Co-op program in ACORN. Check the registrar’s office web site or the registration guide for the dates to request subject POSTs.

3. After the request period closes, check your status on ACORN to verify that you have been invited into your requested subject POST.

4. You must then accept the program invitation into your approved Co-op program. Failure to do this will result in your application not being considered.
