

GENERAL • FACILITIES

Do I need to buy a membership to use the facilities?

No. As a student of U of T, you are entitled to use all of the Athletics facilities within U of T (Scarborough, Mississauga and the St. George Campus). Your membership for these facilities is paid for through your incidental fees. Remember your T-card **is** your membership card, so carry it with you whenever you are visiting any of the Athletics facilities.

I don't have a TCard, how can I access the facilities?

Students can access the facilities using the **TPASC App**. In order to activate your account through the app, you will need both your student number and 16-digit library barcode. Students can request their barcode (or request the creation of a physical t-card) by sending an email to the **UTSC TCard Office** from their utoronto email address.

The email is: tcardoffice@utsc.utoronto.ca

More information can be found on our website – utsc.utoronto.ca/athletics
