WELCOME TO THE
55TH ANNUAL
ATHLETIC BANQUET
APRIL 6 - 9, 2020
Welcome to the 55th annual Athletic Banquet! On behalf of the Scarborough College Athletics Association (S.C.A.A) and the Department of Athletics & Recreation at the University of Toronto Scarborough, we thank you for joining us, especially during such a challenging time. We hope that you and your loved ones are healthy and safe. Although our banquet format is different this year, we are very excited to celebrate all the hard work and commitment you have shown this past year.

It is times like these we are reminded of how important physical activity and connection is to our communities. It fulfills a sense of belonging, creates healthier communities, promotes mental health, forms friendships, build skills, and most importantly an opportunity to have fun. We are here to celebrate this among our UTSC community. It is important to recognize and show appreciation to the many individuals who have participated and shown commitment to the programs in Athletics & Recreation. To balance school with competitive athletic programs can be very challenging and we are so proud of our athletes. You have become leaders and role models for students across campus and the larger community.

Over the next few days, we are celebrating you – the champions, the finalists, and all those who participated, worked, coached and volunteered at all levels in the Athletics and Recreation program. You have helped contribute to making this year an amazing one. Together, we are able to celebrate, to learn, to form friendships, stay active while maintaining physical distance and stay safe. We celebrate and congratulate those individuals who have been selected for awards based on your outstanding accomplishments and contributions made this year. You have gone beyond the call of duty and dedicated so much to our programs. Thank you.

We hope that you all continue to stay safe and well. We are grateful to know that we have such a large group of students who are committed to engaging in and promoting physical activity, recreation and sport. We wish you all the best and hope that you are able to access any supports you may require at this time. Congratulations to those who are graduating this year and we are so excited to get back to our regular season of participation, commitment and championships!

Sincerely,

Niroban Jayakumar
S.C.A.A. President

Assistant Dean
The Scarborough College Athletics Association (SCAA) is comprised of volunteers who have been either elected or appointed to represent the UTSC student body in the matters of sports and athletics. Working in conjunction with the Department of Athletics and Recreation as well as other student groups, the SCAA strives to promote student participation in the Intramural and Interhouse leagues and to foster the highest standards in fair play and student leadership. Throughout the year, the SCAA hosts a variety of social and athletic events, the aim of which is to promote school spirit and to create a fun-filled environment for the students of the University of Toronto Scarborough.
Alumni Athletic Honour Roll

(Presented by the University of Toronto Scarborough Alumni Association)
Awarded annually to the alumni who devote countless hours of their time to improve the quality of the Athletics and Recreation programs. These alumni have made a significant contribution to our student athletes, coaches, convenors, instructors and leaders by providing them with a role model, building their self-confidence and developing their skill level every step of the way. The UTSCAA wishes to acknowledge these mentors who have given so much to our activities and to the pride of this institution.

Dickinson Award

Presented to the outstanding female and male athlete at the University of Toronto Scarborough for excellent ability and participation.

Female Nominees

Tristine Apiado

Tristine is a talented multi-sport athlete; no stranger to wearing the maroon colour with pride, she was a staple on the Women’s Field Hockey, Lacrosse, Flag Football and Division 2 Ultimate teams. Being a leader on and off the field of play is an important attribute and Tristine excelled in this regard. She pushed her own limits and invited other’s to follow suit. Described as a fierce competitor by her teammates, Tristine always worked hard in practice and pushed herself to her limit in games. Her determination and tenacity were contagious on the Women’s Field hockey team where the team amassed yet another championship season. Her teams also reached another 2 championship games just falling short of the ultimate goal. The sky is the limit for this 3rd year student athlete and this could be the first of multiple Dickinson nominations.

Emily Mak

Emily is the master of her domain and the captain of the Women’s Ice Hockey team. Described as a game changer, a player able to dictate the outcome of the game with one silky sweet move, an aggressive fore-check or that timely game-winning goal, Emily was yet again the backbone of the women’s hockey team. Highly respected in the hockey program, when Emily speaks people listen. Not only does Emily have exceptional ability but she continues to be a leader in all situations, helping younger players with their own skill development and their academic endeavors. She spent countless hours offering aid to her teammates and her selflessness was on display again this season. Emily’s mastery of the sport of hockey, her dedication to the program, her leadership qualities and her ability to change an important game with one touch of the puck has earned her this serious consideration for this year’s Dickinson Award.
**Corinne Smith**

Corinne is one of the most talented female basketball players the program has seen. She is a stunning presence both on and off the court whose knowledge of the game and outstanding ability make her one of the most vital players in all Development League programs. She led the UTSC team in every single offensive and defensive categories and was one of the prime reasons that the team won another championship this year. Averaging close to 25 points, 10 rebounds and 4 steals per game this season; Corinne could not be stopped. Her presence brings confidence to her teammates and brings fear to opposing players and coaches. Even though she is a single sport athlete, Corinne is a superstar and has made a crucial contribution to her team and to the basketball program as a whole, and for this is, has earned a nomination for this year's Dickinson Award.

**Male Nominees**

**Michael Mines**

Michael is a magnificent athlete. His time is shared between multiple teams and programs, he always leads by example and is determined to make himself and his teammates better. He is powerful, spirited and a versatile athlete with the ability to breakdown the league’s best teams. He is one of the prime reasons why the Men’s Basketball team has enjoyed a tremendous amount of success and four championships in a row. Michael also decided to apply his talents to the Men’s D-league Volleyball team this year where the team reached the finals for the second time in three years. His ability to adapt to new situations, his versatility and determination to improve helped him succeed and become one of the team’s best players. If that wasn’t enough, he also played on both the Coed and Men’s Flag Football teams and contributed to the coed team winning a championship. His extensive contribution across the program and the passion he brings to our campus make him an ideal candidate to repeat as the Dickinson Award recipient.
Jeremy Mistry

Jeremy is a passionate, tenacious and remarkable multi-sport athlete. Although he is as fierce as can be, he has the uncanny ability to make those around him feel included in the program and simultaneously motivated to succeed. No matter the sport, he is able to make a positive impact on his team and teammates. In the fall semester, his abilities on the Ultimate Frisbee team helped UTSC earn a much-coveted Division 1 championship. He played a pivotal role on the Ultimate Frisbee and Ice Hockey teams where he used his cat-like reflexes and unmatched speed to score points and goals. His passion for sport and welcoming personality make ushering students to a new sport easy and flawless. Jeremy has been a staple in the UTSC men’s and coed intramural programs and deserves to be considered yet again as one of UTSC top male athletes.

Habib Ouane

Habib is a superb athlete. He is a nightmare matchup for any player on the soccer field, often leaving his opponent’s dumbfounded. He is powerful, spirited and a versatile athlete with the ability to breakdown the league’s best teams. He was a key contributor on and off the field for Men’s D-League Soccer team helping them record an undefeated regular season and a birth in the finals. Habib has the ability to change games with a ferocious strike, an ankle breaking cut to the net and this year especially, his desire to win. What makes him so special is the passion that he brings to every game. He refuses to be beat, he refuses to let his teammates down and refuses to let his opponents to get the best of him. His contributions to the Men’s D-League team and to the soccer program at UTSC make him an ideal candidate for the prestigious Dickinson Award.
