

**Department of Human Geography**  
**University of Toronto Scarborough**  
**Sessional Lecturer Positions (CUPE 3902, UNIT 3)**  
**Fall – 2022**

**Emergency Posting**

**POSTING DATE: August 3, 2022**

**CLOSING DATE: August 10, 2022**

The following positions for Sessional Lecturers are available in the **Department of Human Geography** for the **Fall - 2022** academic session. This posting is in accordance with the Collective Agreement between The Governing Council of the University of Toronto and the Canadian Union of Public Employees, Local 3902 (Unit 3).

All applicants who wish to be considered for a particular position must submit a cover letter, current curriculum vitae, teaching statement and evidence of teaching effectiveness. Letters from two referees are also sought; comments on both research and teaching would be of value. Referees to send the reference letters separately to: [geography-applications@utsc.utoronto.ca](mailto:geography-applications@utsc.utoronto.ca). Applicants must include the CUPE 3902 Unit 3 application form available at <https://uoft.me/CUPE-3902-Unit-3-Application-Form> in their applications.

Application materials should be submitted to the attention of Professor Thembela Kepe, Chair, Department of Human Geography, University of Toronto Scarborough. All applications must be submitted to the Online Teaching Application at: <https://www.utsc.utoronto.ca/webapps/slship/jobs.php>

Salary is in accordance with the current CUPE 3902 Unit 3 Collective Agreement, below are the rates of pay for each pay category:

Sessional Lecturer I rate of pay will be \$ 8,489.67

Sessional Lecturer I - Long Term rate of pay will be \$8,869.25

Sessional Lecturer II rate of pay will be \$9,085.58

Sessional Lecturer III rate of pay will be \$9,301.90

All of the rates of pay above are effective September 1, 2020, and inclusive of vacation pay for a half course (F or S). Note that should rates stipulated in the Collective Agreement differ from rates stated in this posting, the rates stated in the Collective Agreement shall prevail.

Preference in hiring is given to qualified individuals advanced to the rank of Sessional Lecturer II or Sessional Lecturer III in accordance with Article 14:12.

It is understood that some announcements of vacancies are tentative, pending final course determinations and enrolment.

**Contract dates:** September 1, 2022 – December 1, 2022 (for F courses)

January 1, 2023 – April 30, 2023 (For S courses)

September 1, 2022 – April 30, 2023 (For Y courses)

Course Number/Title/Description	Lec. Sec.	Course Enrol. (est.)	Number of Positions (est.)	Qualifications	Duties	Estimated TA Support (Hours)
<p><b>GGRB30H3 F - Fundamentals of GIS I</b></p> <p>This course provides a practical introduction to digital mapping and spatial analysis using a geographic information system (GIS). The course is designed to provide hands-on experience using GIS to analyse spatial data, and create maps that effectively communicate data meanings. Students are instructed in GIS methods and approaches that are relevant not only to Geography but also to many other disciplines. In the lectures, we discuss mapping and analysis concepts and how you can apply them using GIS software. In the practice exercises and assignments, you then learn how to do your own data analysis and mapping, gaining hands-on experience with ArcGIS software, the most widely used GIS software.</p>	<p>LEC 01</p> <p>FR 11:00-13:00</p> <p>MW 120</p>	60	One sessional lecturer	<p>A university degree in a related area of study. A graduate degree is an asset. Minimum three (3) years work experience in applied GIS. Effective teacher: Teaching experience is an asset. Well-organized and stimulating approach to subject.</p>	<p>All normal duties related to the design and teaching of a university credit course, including preparation and delivery of course content; development, administration and marking of assignments, tests and exams; calculation and submission of grades; holding regular office hours; supervising TAs assigned to course, if applicable. Please note that the course, including exams, is planned to be delivered in- person.</p>	To be determined

<p><b>GGRC10H3 F, Urbanization and Development</b></p> <p>Examines global urbanization processes and the associated transformation of governance, social, economic, and environmental structures particularly in the global south. Themes include theories of development, migration, transnational flows, socio-spatial polarization, postcolonial geographies of urbanization. Area of focus: Urban Geography</p>	<p>LEC 01</p> <p>TH, 13:00- 15:00</p> <p>BV 264</p>	<p>60</p>	<p>One sessional lecturer</p>	<p>A university degree in a related area of study. Effective teacher: teaching experience in the subject area is an asset. Well-organized and stimulating approach to subject. Applicants' research area should be closely related to course material.</p>	<p>All normal duties related to the design and teaching of a university credit course, including preparation and delivery of course content; development, administration and marking of assignments, tests and exams; calculation and submission of grades; holding regular office hours; supervising TAs assigned to course, if applicable.
