

## PhD Departmental Defence Committee Member Approval Form (Departmental Defence Committee Meeting)

The Physical & Environmental Science PhD program requires that all PhD candidates present their thesis for evaluation to a Departmental Defence Committee Meeting before proceeding to the School of Graduate Studies (SGS) PhD Final Oral Examination. The Departmental Defence should be held at least eight weeks prior to the SGS PhD Final Oral Examination. The completed form should be submitted to the **Graduate Administrator** as soon as possible so that the committee composition can be reviewed and approved by the Graduate Chair prior to the meeting.
