DPES Member				

If result is **7 cbXjhcU'DUgg**, please indicate what conditions must be met for a full pass:

Deadline date for conditions to be met. _____

Comments or Remedial Action Recommendations (courses, conferences, workshops, etc.):

Recommendations for improvement of the candidate's general background knowledge, and proposed research program.

Ghi XYbh8 YWUfUjcb.

I confirm that I have read and understood all of the above comments and recommendations. If the result is a Conditional Pass, I understand that I will need to submit the documentation requested by the deadline specified or it will be considered a Fail. If the result is a Fail, since this is my Second PhD Proposal Appraisal Examination, I understand that I cannot continue in the PhD in Environmental Science program.
