

W

CHMA11H Winter 2008
Course Outline:
Lecture Schedule, Mark Breakdown and Policies

Required Textbook

"General Chemistry", Principles & Modern Applications, 9th edition by Petrucci, Harwood, Herring and Madura. The package of the text, the solutions manual and the online homework program MasteringChemistry and can be purchased from the UTSC Bookstore.

Please note that if you choose to buy a resale 9th edition of Petrucci then you MUST purchase the separate MasteringChemistry Registration package as you are NOT allowed to transfer the MasteringChemistry registration from another student.

Reading week	Feb 16 - Feb 20
Chaps. 17, 18, 19 and 20	Feb 23 - Apr 3

Lecture Notes:

TBA

CHMA10H Winter Mark Breakdown

Please note: In order to pass the course the student must pass at least one of the two supervised test/exams: the midterm test or the final exam.

	Scheme	or	Scheme	
--	--------	----	--------	--

	A		B		
Term Test - NO MAKE-UPS -see below	25%	or	15%	100 minutes - date and room - TBA	First 6 weeks of course work
Final Examination -	45%	or	55%	3 hours - date and room - TBA	The entire course work
Online Homework and Tutorials	5%		5%	Weekly assignments	The lowest mark will be dropped from calculation.
Laboratory	25%		25%	See lab manual for due dates and method of evaluation	

CHMA11H Midterm Test: **TBA**

Calculator Policy: *Only APPROVED calculators may be used.*

The APPROVED calculators are: Texas Instruments (TI-30, TI-34II Explorer Plus, TI-Explorer Plus, TI-32) Sharp (EL-531, EL-509), Casio (fx-65, fx-250, fx-260, fx-280). Invigilators have the authority to check calculators and confiscate any not appearing on the above list. Should this happen an immediate penalty of 10% will be imposed on this test.

No cell phones or electronic devices are allowed on the students or at their desks during the test/exam.

A cell phone is considered as an unauthorized aid since it can store text information and images and is therefore covered under the "Examination Room Regulations" section 5 on page 302 of the 2008/09 Calendar).

ABSENCES - *Term Tests and Exams*

THERE IS NO MAKE-UP FOR THE TERM TEST. Provided that your medical note clearly outlines the reason for your absence then the 25% for the term test will be added to the final exam and the final exam will then be worth 70% of your final mark. Please note that on page 392 (5c) of the 2007/2008 UTSC Calendar it states: "You cannot petition to withdraw from a course on grounds that no work was returned to you before the last day to withdraw without academic penalty if this is the result of your having been given an extension to complete your work for reasons relating to you and not the rest of your class."

Should you have to miss the term test then you should notify **the CHMA11H Instructor, as soon as possible** and have the UTSC medical form completed by your doctor. Click on the link below to download a suitable blank medical form that can be printed and filled out by the doctor at the time of your appointment.

Medical note form to be completed by the doctor.

The medical note should:

-verify that the student was examined on the day of the test

- *if possible, state the illness and*
- *it MUST indicate the physician's professional opinion as to whether the student should receive special consideration on medical grounds.*

If you miss the Final Exam, you must petition the Registrar's Office to write a make-up exam in the next formal exam period. e.g. for a missed April Final Exam, the make-up Exam is in August. Your documentation is crucial for a successful petition and must be submitted by the last day of the exam period. Check the UTSC Calendar for instructions and deadlines!
