

CHM B20H3 F *Chemical Thermodynamics and
Elementary Kinetics*
2009-2010

Instructor: James Donaldson SW 412A
416-287-7213
jdonalds@utsc.utoronto.ca

Textbook: *Physical Chemistry* 2nd Ed. by Engel and Reid

| | | | |
|-----------------|------------------|---------|-----|
| Grading: | 3 in-class tests | 3 x 10% | 30% |
| | 4 assignments | 4 x 8% | 32% |
| | Final exam | | 38% |

Office Hours: Monday 1-2 SY 205 *or by appointment*

In the event that you miss a test or an assignment due to H1N1, your grade will be calculated by re-weighting the tests (or assignments).

If you miss a test for any other reason (without my prior written consent), you will need to provide an official UTSC medical note (or do some really good talking!) in order to avoid a mark of zero.
