The notice may be hand or electronically delivered to the Room or affixed to the door of the Room, addressed to the Resident.

e) In the case of an appeal of the termination of the Residence Agreement with a sanction of expulsion from the residence, the Residence Office may attempt to find other, temporary accommodation for the resident.

f) The Director’s decision is considered final and is not subject to further appeal or review.

Smoking
Smoking and smoking-related activities (including, but not limited to, cigarettes, vaping, e-cigarettes, hookahs or other smoking devices) are not permitted anywhere inside the residences, including but not limited to the residents’ room, common rooms, and immediate surrounding areas. Outdoors, smoking is not permitted except in areas designated by the University.

Controlled Substances
Controlled substances, such as cannabis, cannot be used or stored in common areas. Cannabis plants cannot be grown in a townhouse or apartment.

Changing of Locks
The Resident will not under any circumstances tamper with or change the lock or add a lock, locks or other security device to the door of the Room, the Townhouse or the Suite.

Contents and Condition of Townhouse and Apartments
Residents must behave in such a manner as to ensure the good condition of the residence buildings and grounds. Residents are expected to keep their assigned Townhouse/Apartment locked, clean, to remove garbage regularly, use bed linens, adhere to quiet hours, use only
painters tape and non-damaging temporary adhesives to hang items on walls, and to report needed repairs to Student Housing & Residence Life. Bicycles, motorcycles, and cars are to only be stored in designated areas. Residents are responsible for costs of repair to damages made by the resident or the resident’s guests. Residents will not smoke in the townhouses/apartments or install air conditioners. Residents will not bring large furniture items into residence without the permission of Student Housing & Residence Life, modify décor/fixtures/fittings, remove furniture, climb on roofs, alter/add electrical extension cords, have pets, store dangerous/offensive goods or weapons in residence, add locks, or use/grow/trade prohibited drugs.

Residents will not make any alterations, additions, or changes in any way to the premises, noting that like many buildings constructed prior to the mid-1980s, Aspen Hall, Birch Hall, Cedar Hall, Dogwood Hall, and Elm Hall have building materials that do or are likely to contain asbestos in the joint compound used to smooth seams between wallboards and fill holes before painting and sealing them. No drilling, nailing, or screwing into the walls, ceilings, or floors is allowed so that the materials remain safely encapsulated in non-friable form. Residents will notify Student Housing & Residence Life immediately of any damage to the premises during the period of the Agreement using the online repair request at https://starportal.utoronto.ca.

Residents will leave the townhouse/apartment at the end of the Agreement in the same condition as when they first occupied the townhouse/apartment.

Injury, Theft, and Damage
The University will not be liable for the loss, damage to, or theft of personal belongings in or about the premises or the residence building. Residents are advised to arrange their own fire and theft insurance to cover loss or damage to personal belongings, as well as carry adequate liability insurance. The University is not responsible for any kind of injury, damage, or loss caused to the resident, their guests or invitees while in or about the residence buildings or the University campus.

Checking In/ Checking Out
Check-in and checkout processes will be communicated to residents via email. Failure to follow check in and checkout processes can result in additional financial charges.

Students may request a room change by applying in writing to the Residence Life Coordinator. It will not always be possible to accommodate a room change. Students who successfully apply for a room change will be responsible for an administrative fee of $100 as well as all costs related to the move (e.g. phone and TV cable connections and installations).

Fees
Please visit the Student Housing & Residence Life website to view the residence fees: https://utsc.utoronto.ca/residences/fees

Residence fees and tuition fees are posted to your Student Account on the Accessible Campus Online Resource Network (ACORN). Students are required to send an email to Student Housing & Residence Life (residences@utsc.utoronto.ca) with the following information: student’s full name, student number, residence session they would like to cancel, and reason for cancellation. Students cancelling prior to Saturday, August 31, 2019 will not be held responsible for residence fees beyond the non-refundable $600.00 deposit.

Withdrawal from Residence during a Session
Students who withdraw from residence after Saturday, August 31, 2019 will be responsible for the Residence Agreement Fees for the session for which they were registered, as set out in the Withdrawal Chart as well as an Administrative Fee of $100. All requests to withdraw from residence before the end of the session for which the resident has registered must be made in writing to the Residence Life Coordinator. Residence withdrawal forms are available at the Reception & Services Desk of Student Housing & Residence Life. In some circumstances a percentage of the residence fee will be returned to the resident. Please refer to the Withdrawal Chart available on the Student Housing & Residence Life website.

If a resident is withdrawing from residence as well as withdrawing from the University of Toronto (including all campuses), they shall be released from future financial obligations of the contract. They will instead be charged for the time spent in residence (calculated at the nightly rate), as well as a $650.00 withdrawal fee.

Adjustments to the student account are applied only once the student has fully moved out of residence and returned their keys to the Student Housing & Residence Life office using the Express Check out Envelope.

Service Charges
If not paid in full, any outstanding balance is subject to a monthly service charge of 1.5% per month compounded (19.56% per annum) assessed as of the 15th of every month. Outstanding charges from prior sessions are subject to a service charge as of the 15th of every month until paid in full. For details, refer to www.fees.utoronto.ca.

Staff entering room or suite/Accessing a student room
The Residence Staff, which include, but are not limited to the Director or the Director’s designate, Residence Advisors and Facilities staff shall be permitted to enter houses/suites and/or bedrooms during daylight hours upon giving reasonable notice to the Resident; and at regular intervals if such intervals are previously announced to the residents; and/or at any time, and without notice, in the event of an emergency or perceived emergency, or a disturbance or breach or suspected breach of the University of Toronto Scarborough Residence Community Standards, in order to examine the state of the house/suites and/or bedroom, including the state of sanitation, safety and repair thereof, and to make such repairs, changes or improvements to the house/suite and/or bedroom and its furnishings as the University may deem necessary or desirable, as well as to take such steps as are deemed necessary for the safety of residents.
**Notification of Emergency Contact**
The resident will allow the University to contact the identified Emergency Contact in case of emergency or in cases where resident behavior is deemed to be a threat to the safety, security, and/or wellbeing of the resident or other community members, or where the resident is otherwise incapacitated, regardless of the resident’s age.

**Construction, Maintenance, and Renovations**
There are maintenance, renovation, and construction projects that take place in residence and in close proximity to residence. Work takes place during regular business hours, but may begin earlier or extend into the evenings or weekends. Student Housing & Residence Life communicates with project managers in order for construction practices to consider the academic timeline; however there may be noise, dust, and temporary interruption of some services, etc. Ongoing construction, renovation or maintenance projects will continue through midterm and final examination periods. Consistent with other universities’ practices there will be no compensation or reduction of residence fees due to disruption.

**Bedbug and Pest Outbreaks**
Residential buildings are occasionally subject to pest outbreaks, including but not limited to, bedbugs. If a pest outbreak is suspected, residents are required to immediately contact Residence Administration so an inspection can be arranged. If the presence of pests is confirmed, residents will be required to actively participate in the treatment by following the directives of the University and/or professional Pest Control workers. To reduce the likelihood of spreading pests to unaffected areas, residents will typically not be relocated to a new room. No refund or reduction of fees will be issued to those who are inconvenienced by pest inspection or remediation processes.

**Non-Reduction of Fees**
It is agreed that there shall be no reduction of the residence fees or any other compensation for, or on account of any loss, damage, inconvenience, discomfort arising from the interruption or curtailment, however caused, of any accommodation, facility, or service agreed to be furnished by the University.

**Condonation of Breach not a Waiver**
Any excusing, condoning, or overlooking by the University of any default, breach, or non-observance by a resident, of any condition or regulation of the Agreement will not operate as a waiver of the University’s rights under the Agreement in respect to subsequent defaults, breaches or non-observances of terms of the Agreement.

**Headings**
Headings contained in the Agreement are inserted only as a matter of convenience and in no way define, limit, or extend the scope or intent of the Agreement or any provision of it.
Residential Tenancies Act Exemption
Residence at the University of Toronto Scarborough is fully exempt from the Ontario Residential Tenancies’ Act as per the criteria met in Section 5(g) of the Act, and thus all terms and conditions in the Agreement are binding.

Electronic Submission of Agreement
