

Residence Move Out – Cleaning Checklist for unit with three roommates

To evenly distribute cleaning responsibilities, taking into consideration the date of departure, this checklist was made to ensure that the areas that get “dirty” the fastest are done later than cleaning items that don’t need to be done as often

Resident Name:

Move Out Date:

Common area cleaning to complete before your departure date:

- Return all furniture to original set up in common areas & clean out storage room
- Check under and in between seat cushions, under & behind all furniture for belongings, waste
- Clean the inside and outside of the stove and microwave

Bedroom cleaning to complete before your departure date:

- Check drawers, closet(s), under/behind the mattress & furniture for belongings, waste
- Vacuum bedroom floor
- Wipe down all surfaces
- Remove all belongings & waste
- Helpful tip: leave all drawers & closet open to ensure you removed everything
- Reminder: remove all belongings from common areas (don’t forget to check the bathroom & kitchen cupboards, fridge and living room)

Resident Name:

Move Out Date:
